** Indicate your laminate choice by including the data in the spaces provided to the right of the item code.

Tops

- High Density Laminated Particleboard with matching (oak, walnut, or medium red cherry) T-molding.

Bases

- Cast aluminum frame and legs in bright chrome finish with adjustable leveling glides.

Assembly

- All tables require assembly.
- All necessary hardware is included.
- All tables are shipped knocked down.

Delivery Notes

Products over 250 lb and/or products that equal or exceed 96 inches in any direction (conference tables, preassembled shelving, etc.) can present special delivery issues, especially if passenger elevators are involved. Often they do not fit on passenger elevators and may require that a crew use stairs. If this is the case, it must be noted on the purchase order and resolved before entering the Corcraft order.
